## NEONATOLOGY HOT TOPICS !!!

### Hypopituitarism in the Newborn:

#### A Bewildering Array of Presentations

Presenter: Susan Scott, MD

Professor of Pediatrics, Division of Endocrinology/Metabolism

UNM School of Medicine

**When: Tuesday May 19, 2009 @ 1 PM**

**Where: BBRP Rm 1500 (1st Floor)**

**Next month's presentation will be on:**

**Tuesday June 2, 2009**

**Coffee and Cookies will be served**

#### *Objectives:*

- *To understand the types of presentations for hypopituitarism in the newborn.*
- *To identify the minimum tests needed to suggest the presence of central endocrine diseases in the newborn.*
- *To recognize the physical findings suggestive of hypopituitarism in the newborn*

The University of New Mexico School of Medicine, Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education designates this educational activity for a maximum of **1.0 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.
